

# QUALITY POLICY

**KALIBERR BIOSCIENCE PVT. LTD.** wants to become a leading & focused medicines manufacturer with different therapy platforms and Quality as key priority in every aspect of our work by:

- *Harnessing the full power of our organization, developing medicines more efficiently and delivering greater value for our patients and society.*
- *Developing and implementing an effective Quality Management System (QMS) and Procedures to deliver Quality Products and Services that meets Global Standards.*
- *Meeting all specific Product Quality Parameters adhering to Current Good Manufacturing Practices (cGMP).*
- *Providing appropriate training and effectively communicating the Quality Policy to our Employees on QMS and cGMP.*
- *Periodical Auditing, Reviewing and Constantly Improving our Quality Management System (QMS), Business Processes and Services.*
- *Complying with applicable statutory and regulatory requirements.*
- *We are committed to giving back more to society than we take by embracing the highest standards of quality and integrity in our work and ensuring that our decisions are guided always by what's best for our patients.*
- *Proactively seeking for Customer's Feedback and appropriately addressing them.*
